Bluewater Energy Solutions Awarded Startup and Commissioning Services by Equistar  
Chemicals, LP in Illinois.

For Immediate Release

Bluewater Energy Solutions is pleased to announce it has been awarded a contract to perform startup and commissioning services for the Equistar's natural gas fired steam generating facility located in Tuscola, IL.

The Tuscola facility will provide steam for process and electrical generation through the plants existing steam turbine generators. The new facility will consist of (2) new "A" style boilers, (2) forced draft fans, (2) free standing stacks, (3) boiler feedwater pumps and (1) deaerator with balance of plant equipment. The new equipment will aid in the modernization of the Tuscola facility.
